

INTERNAL QUALITY ASSURANCE CELL (IQAC)

Date- 28 August 2017

To create quality to maintain quality, to develop quality of all aspects in all spheres- that is the task of the IQAC or the internal Quality Assurance cell of the college. The IQAC is the central quality –monitoring body of the institution .it function under the chairmanship of the principal and comprises senior faculty members, representatives from the local community and student representatives .its aim is to develop and maintain a system to promote academic and administrative excellence.

- It defines the short-term and long term objectives of the institution.
- It creates a benchmark for quality –enhancement measures.
- It devises a work plan to achieve objectives.
- It monitors and coordinates the execution.

The IQAC function with the belief that excellence and quality are not one time goals but continuous processes .To this end ,the IQAC meets on a regular basis, new programme ,up gradation of infrastructure and increasing the effective function of all systems are some of the major concerns of the IOAC.
